Vaccination/Testing Guidelines:

Vaccines and testing are no longer required for most Carnival cruises.

Although vaccines are not required, we encourage all guests 5 years of age and older to be up to date with their COVID-19 vaccines, when eligible, and carry proof of vaccination. Guests are considered fully vaccinated if they have received their final dose of an approved COVID-19 vaccine at least 14 days prior to the sailing day (not counting embarkation).

We Are the Mighty Greyhound Family!!!

There will be plenty of Fun Happenings aboard the Carnival Sunshine...but a party is not a party until the **I.C. Norcum Family** arrives.

FAQ:

What if I would like a different cabin category not listed in the Group

Inventory? If you are interested in another cabin categories outside of our Group Inventory, i.e. (Cloud9 Spa, Suites, Higher Decks) just indicate it on your form and I will send you a quote based on availability and the prevailing rates. Keep in mind that the Terms & Conditions (T&C), deposits and cancellations policies for those cabins will differ from our Group Inventory T&C.

I have a CarnivalVIFP # can I get a discounted rate? The group rate is usually the lowest overall rate offered. However, your VIFP # will be used to get you the best rate possible. The same for Military and Seniors (55+) rates. Keep in mind that the Terms & Conditions (T&C), deposits and cancellations policies for those rates will differ from our Group Inventory T&C.

Are there discounted rates for Babies/Toddlers discounted? The short answer is NO!!! The rates are based on the occupancy of the cabin and not the age of the sailor. (if you fall into this category, please give me a call and I will provide more clarity).
